*\* We inform you that our accommodation facilities' kitchens are not specialised in arranging foods free of gluten and/or lactose and/or dedicated to clients with any other food allergy or intolerance; therefore, we can't guarantee the total absence of cross contamination during preparation and distribution of courses. Nevertheless, we report that in our restaurants you'll be able to find a great variety of foods for you to choose from, including courses that don't contain gluten as well as some dedicated base products. Naturally, as required by law, the lists of allergenic ingredients are present in all of our menus. For this reason, and based off of the severity of your food intolerance, we invite you to report it to the booking office so that, upon arrival at the hotel, you'll be able to find a solution with the chef and the facility manager.*

*\* In consideration of all our guests, up to two small dogs per room (maximum of 10 kg overall) are allowed upon request and with a daily surcharge, subject to acceptance of the [regulation](#). Other animals and larger dogs are not allowed. Please read the on-line regulations for accessibility to the hotel areas.*
