

CLUB ESSE PALMASERA RESORT ****

The **CLUB ESSE PALMASERA** is one of the first villages with a "club formula" in all of Sardinia, and even today, thanks to recent renovations, it offers the comfort and breath of a large international resort. Over the years it has been the first stage for some of the most famous comedians of the Italian variety. It is located close to the sea, in the picturesque setting of Cala Gonone, in a panoramic position overlooking the Gulf of Orosei. From the town of Dorgali you descend along the ancient road that winds through unique and breathtaking views of the gulf, to reach the village of Cala Gonone, characteristic and very welcoming, home to the most important fleet of excursion boats in all of Sardinia. In fact, the beaches of Cala Mariolu and Cala Goloritzé, recently ranked second and third among all Italian beaches, Cala Luna, and the Bue Marino cave, a site of unparalleled beauty, are just a few miles away by boat. The hinterland also strongly contributes to making the Cala Gonone area special and magical: the mysterious Nuragic village of Tiscali and the Supramonte, where there are natural monuments of great charm such as the numerous Domus de Ianas and the Gorroppu Gorge, which with its walls over 400 meters high is the highest and largest canyon in Europe. This mountain area, kingdom of mouflons, is one of the temples of hikers who love trekking, flora and wildlife.
