DIRECTIONS: (Please take notice signposts will show the destination Girne instead of Kyrenia.)

FROM ERGAN AIRPORT: On leaving the exit of the airport you should follow the signposts directing you to Kyrenia/Girne. After joining the dual carriageway you will soon come to a small roundabout. Go straight across and continue on until you come to a petrol station on your right hand side. After the petrol station there is a large roundabout, again proceed straight across the roundabout still heading towards Kyrenia/Girne. Please bear in mind that you will see a number of camera signs on both sides of the road warning you of your speed. There is a radar and camera system controlling the speed of traffic. The speed limit is 65 km. After approx 15 minutes you will come to the Opel Motors car showroom on your left hand side. Along this route you will pass through three sets of traffic lights and radar/cameras. Some other buildings you will pass include a Hyundai showroom on your right, a Fiat showroom on your left, and a football stadium on the right. Once you have passed the football stadium you will come to the Opel car showroom and shortly after a large roundabout with a memorial statue and a VW Showroom straight ahead of you. You will need to take the 3rd exit on your right signposted Kyrenia/Girne heading towards the mountains. Continue going in a north direction via Five Fingers Mountains towards Kyrenia/Girne. After approx 15 minutes you will approach a flyover, take the left exit up onto the flyover signposted Girne. At the roundabout take the right exit and proceed down the road towards Girne. You will soon arrive at Kyrenia's/Girne's first roundabout, take right exit and drive straight on you will come to a set of traffic lights carry on through the lights until you reach another roundabout with a memorial statue. Take the 3rd exit on your right and proceed another 300 meters, you will see the Oscar Resort Hotel signpost on your left hand side. Turn left at the corner of Alesta's restaurant and drive straight ahead, you will then see Oscar Resort Hotel in front of you. At the end of the road turn left following the signpost to Galaxy Casino and continue around to the right. You have now reached your destination.

From LARNACA AIRPORT

Leave the airport roundabout along the A3 motorway towards Lefkosa (Nicosia). In around 10km, be ready to fork left onto the A2 which is signposted to Lefkosa and Larnaka (a different route into Larnaka). Stay ahead as the A2 merges with and becomes the A1. Reach the environs of Lefkosa and, soon after passing a large football stadium on the left, be ready to filter off left at Junction 3 for the B22/A9 signposted to Troodos, Strovolos and Keryneia (which is Kyrenia/Girne). Stay left on meeting the dual-carriageway, now heading west, as it skirts Lefkosa on the right. Keep straight ahead along this road, following signs to Lakatameia and Troodos, also Keryneia, which is interspersed by traffic lights and roundabouts. At the roundabout where the Troodos road turns off left, stay ahead, to Makedonitissa and Keryneia. Soon rise to a T junction, with a large Greek church over right, and turn right to Kioneli and Keryneia. Keep straight ahead at the next roundabout. Immediately past the Coca Cola factory reach traffic lights and turn left, still following signs to Kioneli and Keryneia. This long straight road leads directly to the border crossing, Metahan/Ag Demitrios. A slip road off left leads to the portacabin Greek checkpoint. Pull off before the Turkish portacabin checkpoint to purchase the mandatory car insurance required to enter the Turkish sector. The insurance cabin is clearly marked. Finally, have your passport stamped. Most people fill in a separate visa slip which is stamped instead of your passport. Slips are available at the passport window. Continue ahead and stay ahead at the roundabout. Turn left at the second roundabout towards Girne/Kyrenia. At the roundabout, with lights, turn right to the next large roundabout where a left turn leads directly to Kyrenia/Girne. Continue going in a north direction via Five Fingers Mountains towards Kyrenia/Girne. After approx 15minutes you will approach a flyover, take the left exit up onto the flyover signposted Girne. At the roundabout take the right exit and proceed down the road towards Girne. You will soon arrive at Kyrenia's/Girne's first roundabout, take right exit and drive straight on you will come to a set of traffic lights carry on through the lights until you reach another roundabout with a memorial statue. Take the 3rd exit on your right and proceed another 300meters, you will see the Oscar Resort Hotel signpost on your left hand side. Turn left at the corner of Alesta's restaurant and drive straight ahead, you will then see Oscar Resort Hotel in front of you. At the end of the road turn left following the signpost to Galaxy Casino and continue around to the right. You have now reached your destination.
