KIRMAN PREMIUM
CONCEPTS

Premium For Kichies

KIDS CHEF

Do you want to spend a comfortable holiday without having to worry about what your children eat on holiday? Our Kids Chef will ensure that every meal is carefully prepared for your children throughout your holiday.

Based on the nutritional information and requests you provide to Family Assistant, each meal is prepared specifically for your children's diet and carefully controlled by food engineers. Our master chefs will prepare menus tailored to your child's needs based on the information they receive from you, which will then be served at the times you request.

You can enjoy the summer by watching your children having fun at all times without having to worry about their nutrition during your holiday.

With Kids Chef every meal is healthy and safe for your kids!

KICHI KIDS CLUB

Do you want your children to immerse themselves in a world of fun and discovery while on vacation? Kichi Kids Club offers a fun and safe environment for our little guests with plenty of all-day activities as well as educational games.

Children can explore the world of technology with fun robot coding activities. Marbling activities allow them to let their imagination run wild and immerse themselves in the magical world of colors. Children can also participate in painting and craft activities under the guidance of our educationally trained experts. Parents can use the tracking necklace with RFID technology given to children at Kichi Kids Club to check on their children's location when they leave Kichi Kids Club.

Kichi Kids Club goes beyond entertainment! Are you ready to meet Kichi?

FUN CLUB

The doors to the gaming world: Kirman Premium Fun Club!

The Fun Club offers a unique experience that offers our young guests entertainment at the highest level. Xbox, Playstation and many other popular options await you in this carefully designed club for those who are convinced that there is no age limit for gaming. Play alone or in a team with your friends or immerse yourself in exciting adventure games. The fun never stops at the Fun Club!

In our Fun Club, which appeals to all ages, our guests aged 13 to 16 can enjoy the fun between 12 pm and 10 pm. All guests under 12 can enjoy the fun under the supervision of their families!

At the Kirman Premium Fun Club, everything is possible!

All you need is your smartphone to make restaurant reservations, room service requests, event details at the hotel or other hotel services. Designed with the awareness of protecting natural resources, New Age Stay offers you luxury and comfort combined. Here, the priority is environmental protection.

Are you ready to discover this unique holiday where technology and nature meet with New Age Stay?

POWER ZONE

For a sustainable future: Power Zone!

Kirman Premium continues to strengthen its understanding of environmental protection in all areas. Our Power Zone areas, designed for electric car users and supporting environmentally friendly means of transport, offer a comfortable experience. Here you can easily charge your car. With this approach, where your sensitivity to the environment is protected and encouraged throughout the holiday, you can experience that the protection of the world we leave to future generations continues without giving up the comfort of a privileged holiday.

With our "Premium For Universe" concept, we offer an ideal option for those who want to enjoy luxury and comfort while protecting nature. With Power Zone, your holiday now becomes more meaningful and valuable. Protect yourself and our future with your environmentally friendly choices.

ZERO WASTE

The zero-waste philosophy that protects future generations: Zero Waste!

The sustainability of our planet and leaving a livable world for future generations is our priority. While planning a peaceful and comfortable vacation for Kirman Premium guests, we contribute to the recycling cycle through the zero waste philosophy. As part of our responsibility to the future, we minimize our carbon footprint and support the preservation of ecosystems.

While our guests enjoy an exclusive vacation in the cool waters of the Mediterranean, they also feel that they are part of an environmentally-conscious vacation experience.

This world belongs to all of us! Are you ready to embrace Kirman Premium's zero waste philosophy and leave an eco-friendly mark on nature?

PAW HOUSE

A great holiday with animal friends!

At Kirman Premium Paw House we provide shelter, food and veterinary examinations for many wild cats. Play and spend great moments with our cats and enjoy your holiday!

RENEWABLE ENERGY

Inspired by nature, we produce our own energy from completely renewable resources! While you enjoy the sea and the sun and experience a privileged holiday with concepts tailored especially for you, each of your moments is illuminated with a nature-friendly energy system.

With the Renewable Energy concept, we generate the energy we consume at Kirman Premium with solar energy panels. In this holiday approach, where luxury and comfort are essential and offer new experiences, we meet the energy needs of our hotels by combining the power of the sun with modern technology.

Would you like to be part of an experience in harmony with nature?

LESS PLASTIC MORE ENVIRONMENT

At Kirman Premium, we leave plastic consumption behind and produce environmentally friendly solutions! We take responsibility to protect nature with environmentally friendly alternatives such as glass and cardboard packaging and do not use plastic in straws, cups and packaging

With Less Plastic More Environment, we protect nature by using less plastic and choosing sustainable materials. This way, we offer our guests a holiday experience where environmental awareness is at the forefront. We put an end to the use of plastic with glass cups, glass bottles, paper cups and packaging products such as toothbrushes, combs, shoehorns and shampoo boxes made from sustainable materials such as wheat straw, olive seeds and bamboo.

Enjoy a sustainable holiday at Kirman Premium – for yourself and for our planet!

KIRMAN PREMIUM FOREST

With Kirman Premium Forest, your love is rooted in the heart of nature!

With our Kirman Premium Forest concept, we plant a tree in the name of each honeymoon couple. This tree continues to grow as a symbol of your love. The seedlings, carefully planted and cared for in the name of each couple in cooperation with professional foundations, make a meaningful contribution to the future.

We send you your personal certificate by mail. This way, you will become part of this meaningful gift and you will always remember the contribution of your love to nature.

Kirman Premium Forest was designed exclusively for honeymoon couples. Become part of this forest that grows with your love for a sustainable future connected to nature. Give nature the memory of your honeymoon!
